## Product Specification

|                      |                                                                                               |
|----------------------|-----------------------------------------------------------------------------------------------|
| 产品名称<br>Product Name | Human Fatty acid-binding protein, heart protein                                               |
| 货号<br>Catalog Number | CSB-DP006A                                                                                    |
| 组成成分<br>Presentation | Liquid,dissolved in 20 mM Tris-HCl, 500 mM NaCl, pH 8.0, 50% glycerol                         |
| 来源<br>Source         | Recombination                                                                                 |
| 存储条件<br>Storage      | Aliquot and store at $\leq -20\text{ }^{\circ}\text{C}$ . Avoid repeated freeze / thaw cycles |
| 有效期<br>Valid Period  | $-20\text{ }^{\circ}\text{C}$ for 18 months                                                   |
| 相对纯度<br>Purity       | 90% $\pm$ 5% by SDS-PAGE                                                                      |
| 运用<br>Application    | Calibrator or standard                                                                        |
