## Product Specification

|                             |                                                                             |
|-----------------------------|-----------------------------------------------------------------------------|
| 产品名称<br><b>Product Name</b> | Human CA125 Protein                                                         |
| 货号<br><b>Catalog Number</b> | CSB-DPK127H                                                                 |
| 组成成分<br><b>Presentation</b> | Liquid,dissolved in 10 mM PBS, pH 7.4,                                      |
| 来源<br><b>Source</b>         | Nature                                                                      |
| 存储条件<br><b>Storage</b>      | Store at -20°C. Keep in dark place and avoid repeated freeze / thaw cycles. |
| 有效期<br><b>Valid Period</b>  | -20°C for 18months                                                          |
| 相对纯度<br><b>Purity</b>       | 90%±5% by SDS-PAGE                                                          |
| 运用<br><b>Application</b>    | Calibrator or standard                                                      |
